ARTICLE 6 - DATA COLLECTION

The Insured acknowledges that he/she has been informed that the Insurer processes his/her personal data in accordance with the regulations on the protection of personal data in force and that :

- the answers to the questions asked are obligatory, and that in the event of false declarations or omissions, the consequences for the policyholder may be the nullity of the contract (article L 113-8 of the French Insurance Code) or a reduction in compensation (article L 113-9 of the French Insurance Code),
- The processing of personal data is necessary for the signing and performance of its contract and guarantees, the management of commercial and contractual relations, or the enforcement of legal, regulatory or administrative provisions in force.
- The data collected and processed is kept for the time required to fulfil the contract or legal obligation. This data is then archived in accordance with the periods stipulated in the provisions relating to prescription.
- The recipients of the data concerning him/her are, within the limits of their responsibilities, the Insurer's departments in charge of taking out, managing and executing the Insurance Contract and cover, its delegates, agents, partners, subcontractors and reinsurers in the performance of their duties.

They may also be forwarded, where appropriate, to professional bodies as well as to any persons involved in the contract, such as lawyers, experts, court and ministerial officers, curators, guardians and investigators.

Information concerning the Policyholder may also be sent to the Policyholder, as well as to any persons authorised as Authorised Third Parties (courts, arbitrators, mediators, relevant ministries, supervisory and control authorities and any public bodies authorised to receive them, as well as to the departments responsible for control, such as statutory auditors, auditors and departments responsible for internal control).

- In its capacity as a financial institution, the Insurer is subject to the legal obligations arising principally from the Monetary and Financial Code with regard to the fight against money laundering and the financing of terrorism and, in this respect, implements a process for monitoring contracts which may lead to the drafting of a declaration of suspicion or an asset freeze measure.

Data and documents concerning the Insured are kept for a period of five (5) years from the closure of the contract or the termination of the relationship.

- Their personal data may also be used to combat insurance fraud, which may lead to their inclusion on a list of people at risk of fraud.

This registration may result in a longer review of the case, or even the reduction or refusal of a proposed right, benefit, contract or service.

In this context, personal data concerning him/her (or concerning persons party to or interested in the contract) may be processed by all authorised persons working within the entities of the Insurer Group as part of the fight against fraud. This data may also be intended for authorised personnel of organisations directly involved in fraud

(other insurance organisations or intermediaries; judicial authorities, mediators, arbitrators, court officers, ministerial officers; third-party organisations authorised by a legal provision and, where applicable, the victims of fraud or their representatives).

In the event of a fraud alert, the data is kept for a maximum of six (6) months to qualify the alert and then deleted, unless the alert proves to be relevant. In the event of a relevant alert, the data is kept for up to five (5) years from the closure of the fraud file, or until the end of the legal proceedings and the applicable limitation periods.

For people on a list of suspected fraudsters, their data is deleted after 5 years from the date of inclusion on the list.

- In its capacity as Insurer, it is authorised to process data relating to offences, convictions and security measures either when the policy is taken out, during its performance or in the context of managing disputes.

- Personal data may also be used by the Insurer as part of the processing that it implements and whose purpose is research and development to improve the quality or relevance of its future insurance and/or assistance products and service offers.

- Personal data concerning him/her may be accessible to some of the Insurer's employees or service providers established in countries outside the European Union.

- By providing proof of identity, the Insured has the right to access, rectify, delete and object to the data processed. They also have the right to request that the use of their data be restricted if it is no longer necessary, or to recover in a structured format the data they have provided if it is necessary for the contract or if they have consented to the use of this data.

Individuals have the right to define directives concerning the fate of their personal data after their death. These directives, which may be general or specific, concern the retention, deletion and communication of personal data after death.

These rights may be exercised by contacting the Insurer's Data Protection Representative:

- by e-mail: to DRPO@MUTUAIDE.fr

or

- by post: by writing to the following address: Data Protection Representative - MUTUAIDE ASSISTANCE
- 126, rue de la Piazza - CS 20010 - 93196 Noisy le Grand CEDEX.

After making a request to the Representative Data Protection Officer and receiving no response, they may refer the matter to the CNIL (Commission Nationale de l'Informatique et des Libertés).

ARTICLE 7 - SUBROGATION

MUTUAIDE ASSISTANCE is subrogated to the extent of the compensation paid and the services provided by it in the rights and actions of the Beneficiary, against any person responsible for the facts which motivated its intervention. When the services provided in execution of the agreement are covered in whole or in part by another company or institution, MUTUAIDE ASSISTANCE is subrogated to the rights and actions of the Beneficiary against this company or institution.

ARTICLE 8 - LIMITATION PERIOD

In application of article L 114-1 of the Insurance Code, any action arising from this contract is time-barred after two years from the event giving rise to it. This period is extended to ten years for death cover, with actions by beneficiaries being time-barred no later than thirty years from the date of the event.

However, this period does not run :

- in the event of a concealment, omission, false or inaccurate statement about the risk, from the day the Insurer became aware of it;
- in the event of a claim, only from the day on which the persons concerned became aware of it, if they can prove that they were unaware of it until then.

When the Insured's action against the Insurer is based on recourse by a third party, this limitation period only runs from the day on which this third party took legal action against the Insured or was compensated by the Insured.

This limitation period may be interrupted, in accordance with article L 114-2 of the Insurance Code, by one of the following ordinary causes of interruption:

- recognition by the debtor of the right of the person against whom he was prescribing (article 2240 of the Civil Code);
- a legal claim, even in summary proceedings, until the proceedings are extinguished. The same applies if the claim is brought before a court that does not have jurisdiction or if the act of bringing the claim before the court is annulled due to a procedural defect (articles 2241 and 2242 of the Civil Code). The interruption is null and void if the plaintiff withdraws his claim or allows the proceedings to lapse, or if his claim is definitively dismissed (article 2243 of the Civil Code);
- a protective measure taken in application of the Code of Civil Enforcement Procedures or an act of forced execution (article 2244 of the Civil Code).

Please note that :

The summons of one of the joint and several debtors by way of an application to the court or a writ of execution or the acknowledgement by the debtor of the right of the person against whom he was prescribing interrupts the prescription period against all the others, even against their heirs.

On the other hand, a summons issued to one of the heirs of a joint and several debtor or an acknowledgement by that heir does not interrupt the limitation period in respect of the other co-heirs, even in the case of a mortgage claim, if the obligation is divisible. Such summons or acknowledgement interrupts the limitation period in respect of the other co-debtors only in respect of the share for which the heir is liable.

In order to interrupt the limitation period for the whole, with regard to the other co-debtors, a summons must be issued to all the heirs of the deceased debtor or the recognition of all these heirs (article 2245 of the Civil Code).

The summons or acknowledgement of the principal debtor interrupts the limitation period against the guarantor (article 2246 of the Civil Code).

The limitation period may also be interrupted by :

- the appointment of an expert following a claim ;
- sending a registered letter with acknowledgement of receipt (sent by the Insurer to the Insured in respect of the action for payment of the premium, and sent by the Insured to the Insurer in respect of the settlement of the claim).

ARTICLE 9 - SETTLEMENT OF DISPUTES

Any dispute arising between the Insurer and the Insured relating to the determination and payment of benefits shall be submitted by the most diligent party, failing amicable resolution, to the competent jurisdiction of the beneficiary's domicile in accordance with the provisions of Article R 114-1 of the Insurance Code.

ARTICLE 10 - FALSE DECLARATIONS

When they change the object of the risk or reduce our opinion of it:

- Any concealment or intentional misrepresentation on your part will render the contract null and void. Any premiums paid shall be retained by us and we shall be entitled to demand payment of premiums due, as provided for in article L 113.8 of the French Insurance Code.
- Any omission or inaccurate statement made by you in bad faith will result in the cancellation of the contract 10 days after the notification sent to you by registered letter and/or the application of the reduction in compensation provided for in article L 113.9 of the French Insurance Code.

ARTICLE 11 - SUPERVISORY AUTHORITY

The authority responsible for supervising MUTUAIDE ASSISTANCE is the Autorité de Contrôle Prudential et de Résolution (ACPR) - 4, place de Budapest - CS 92 459 - 75 436 Paris Cedex 9.
